LAND USE PERMIT POLICIES AND CONDITIONS

The applicant (“Applicant”), on his/her own behalf, requests permission to use the described temporary use site or area, which is on lands of Ukpeagvik Inupiat Corporation, during the periods set forth under the following conditions:

- 1) **Payment.** Applicant has paid the appropriate non-refundable application fee to UIC Lands Department for the purpose of a Temporary Land Use Permit. This permit is mandatory (no exceptions) and is required for all individuals wishing to access UIC corporate lands.
- 2) **Compliance.** Applicant agrees to comply with all applicable federal, state and local laws and regulations, including but not limited to, any applicable permitting, zoning, environmental, Federal Trade Commission, and Federal Aviation Administration’s laws and regulations, and will not engage in any activities which would interfere with or jeopardize your and/or ArrowData’s status as an FAA licensed drone recording company.
- 3) **Protection of Historical Sites.** The Federal Archaeological Resources Protection Act of 1979 prohibits the unauthorized excavation, removal, damage or destruction of any archaeological resource located on federal lands. Failure to obey the law can result in fines up to \$100,000, five years imprisonment, or both. The State Historic Preservation Act similarly protects archeological resources on state lands by applying maximum criminal penalties of \$1,000 in fines, six months imprisonment, or both, and/or civil penalties of up to \$100,000 in fines for each violation. Moreover, these archaeological sites are an invaluable part of the Inupiat culture and heritage.
- 4) **Environmental Protection.** Applicant agrees to use utmost care to avoid to the greatest extent possible any risks of ecological, environmental or other damage or disturbance to corporate lands, resources or appurtenant property and waterways. In particular, Applicant agrees to remove all equipment and waste of all description at the termination of the permit, including but not limited to tent frames, net racks, trash, debris and human waste. Applicant agrees to compensate UIC Lands Department for any damages to corporate lands, resources or appurtenant property or waterways caused or contributed to by Applicant or those in Applicant’s party. Applicant agrees that officers or managerial employees of UIC Lands Department may inspect Applicant’s permit and permitted site at any time to assure compliance with the conditions set forth in this document, and Applicant agrees to cooperate fully with any such officers or employees.
- 5) **Guidelines for Wildlife Photographers and Filmmakers.**

Protection of Snowy Owls

Barrow is the only place in the United States where Snowy Owls regularly breed. Consequently, this area attracts photographers and filmmakers from all over the world during the breeding season. In recent years there has been an increase in the number of professionals seeking to capture images of breeding Snowy Owls. In order to accommodate these parties, researchers working with the owls for the past decade and UIC Lands Department has established a set of guidelines to help facilitate visitor’s goals and ensure that all parties are treated equally and fairly. Researchers of the Owl Research Institute (“ORI”) will work with all photographers and filmmakers to place them at specific sites that fit their needs while reducing the amount of disturbance to the owls. All parties must adhere to the following guidelines. Contact ORI researchers for site assignment and other pertinent information. Contact information can be obtained from the UIC Lands Department.

- All persons or parties must have a blind.
- Blinds cannot be closer than 30 meters (~100ft.). Thus, bring appropriate camera gear.

- Only one blind (i.e. persons/parties) will be allowed per nest. If you are not content with your original assignment, contact ORI researchers for possible reassignment.
- Blinds cannot be left unattended for >3 days.
- Upon completion of your project, please check out with ORI or UIC Lands Department.
- Violation of any of the terms 1-6 will result in termination of your project. In addition, reports of any unusual events and observations would be greatly appreciated.

Protection of Subsistence Whaling Activities

Holders of UIC Land Use Permits may not make any use of UIC Land that is near to, related to, involves taking pictures or video of, or is in any other way associated with the harvesting of bowhead whales without the express written permission of the Barrow Whaling Captains Association. For more information, please contact the Alaska Eskimo Whaling Commission office at (907) 852-2392.

- 6) **Waiver of Claims.** Applicant accepts use of these lands “AS IS” and “WITH ALL DEFECTS AND FAULTS”. Applicant shall conduct its operations at his or her sole risk. UIC Lands Department shall not be liable to Applicant or to any third party using the site or area for any personal injury, death or property damage arising out of Applicant’s operations, or for items of personal property left on the site or area. Applicant waives any claim or loss it may have at any time (now or in the future), suffer or incur for personal or bodily injury (including death) or property damage against UIC Lands Department, its affiliates, and its directors, officers, agents, employees, representatives and attorneys, in connection with Applicant’s operations or use of the site or area and/or surrounding UIC corporate lands, whether or not such claim or loss results from or is caused to any degree by the negligence of UIC Lands Department or any such person, from the condition of the site or area or surrounding UIC corporate lands, or from natural causes. This waiver of claims shall survive cancellation and expiration of this permit.
- 7) **Responsibilities for Injury.** Applicant, on Applicant’s own behalf, hereby agrees to defend, indemnify, and forever hold harmless UIC Lands Department for any personal injuries or property damage of whatever nature suffered by Applicant or members of Applicant’s party while on or near corporate lands or appurtenant property or waterways, and for any personal injuries or property damages caused or contributed to by the Applicant or members of Applicant’s party. Such indemnity shall extend, without limitation, to all judgments, settlements, penalties, damages, assessments, costs or attorney’s fees, which might otherwise be directed or assessed against, charged to, or paid by UIC Lands Department, its affiliates, directors, agents, employees, representatives, and attorneys. All such indemnity, defenses and hold harmless obligations shall survive cancellation and expiration of this permit.
- 8) **Disclaimer of Interest in Land.** Applicant, on Applicant’s behalf, and on behalf of all in Applicant’s party, hereby waives and disclaims any right, title or interest, of any kind whatsoever, in UIC corporate lands, resources or appurtenant property or waterways other than rights explicitly granted by a duly approved permit or other duly executed and delivered corporate document.
- 9) **Code of Conduct.** Applicant, on Applicant’s behalf, and on behalf of all in Applicant’s party, agrees that all members of Applicant’s party shall conduct themselves in a law-abiding fashion, shall avoid

rowdy, threatening or boisterous behavior, and shall respect the person, property, and traditional customs of local residents and abide by any applicable regulations now or hereafter adopted by UIC Lands Department.

- 10) **Disputes Regarding Location.** If at any time during the term of the permit a dispute arises between Applicant and any other person regarding site or area location, Applicant will abide by any decision of UIC Lands Department providing for an adjustment or substitution of site or area location.
- 11) **Termination of Permit.** Applicant agrees that its permit, if granted, may be terminated by UIC Lands Department with or without cause. In the event that anyone in Applicant's party breaches any provision set forth herein, and, in the sole opinion of UIC Lands Department, such breach is not serious, Applicant may be accorded an opportunity to cure the breach, including payment of any costs or damages resulting from or associated with such breach. On termination for breach, Applicant shall forfeit the permit fee as liquidated damages, because of the difficulty acknowledged by Applicant of determining actual damages. UIC Lands Department is not precluded, however, from seeking actual damages, or seeking any other or additional legal or equitable remedies available by law or under this document.
- 12) **Complete Agreement.** Once signed by Applicant and approved by UIC Lands Department, this document shall be considered the permit and the entire agreement of the parties and shall supersede any prior or contemporaneous oral agreement. Any modification must be in writing and signed by both parties to be effective. Applicant certifies that he/she read and is familiar with the above conditions that all activities will be performed in strict compliance with said conditions, and that all party members will be informed of and bound by these conditions and related resolutions now or hereafter adopted by UIC Lands Department.
- 13) **Applicant certifies that he/she read and is familiar with the terms and conditions and that all activities will be performed in strict compliance with said terms and conditions.**

DEAR VALUED GUEST

Qaimarutin! (Welcome!)
 It is our pleasure to welcome you to Tukkumavik Suites, the first hotel of its kind on the North Slope.

Tukkumavik is your true home away from home featuring fully equipped kitchens, modern furnishings and state-of-the-art key code door locks.

As a hotel wholly owned by the Inupiat of Barrow, it is our commitment to honor our traditional Inupiat values by providing the best stay possible for our guests.

Ilagiigñiq (Family and Kinship)
 Tukkumavik Suites is dedicated to ensuring that our guests are treated with the same compassion and respect afforded to family and fellow Inupiat. We strive to create for our guests a comfortable, clean and friendly environment. If your stay at Tukkumavik does not meet your expectations please let us know.

Thank you for allowing us to meet your lodging needs in Barrow, Alaska. If you have any questions or need special accommodations please reach out to us at Tukkumavik.Suites@uicalaska.com or via phone at 907-852-5280.
