Applicant waives any claim or loss it may have at any time (now or in the future), suffer or incur for personal or bodily injury (including death) or property damage against UIC Lands Dept., its affiliates, and its directors, officers,

agents, employees, representatives and attorneys, in connection with Applicant's operations or use of the site or area and/or surrounding UIC corporate lands, whether or not such claim or loss results from or is caused to any degree by the negligence of UIC Lands Dept. or any such person, from the condition of the site or area or surrounding UIC corporate lands, or from natural causes. This waiver of claims shall survive cancellation and expiration of this permit.

- 6) **Responsibilities for Injury.** Applicant, on Applicant's own behalf, hereby agrees to defend, indemnify, and forever hold harmless UIC Lands Dept. for any personal injuries or property damage of whatever nature suffered by Applicant or members of Applicant's party while on or near corporate lands or appurtenant property or waterways, and for any personal injuries or property damages caused or contributed to by the Applicant or members of Applicant's party. - 7) **Disclaimer of Interest in Land.** Applicant, on Applicant's behalf, and on behalf of all in Applicant's party, hereby waives and disclaims any right, title or interest, of any kind whatsoever, in UIC corporate lands, resources or appurtenant property or waterways other than rights explicitly granted by a duly approved permit or other duly executed and delivered corporate document.

- 10) **Termination of Permit.** Applicant agrees that its permit, if granted, may be terminated by UIC Lands Dept. with or without cause. In the event that anyone in Applicant's party breaches any provision set forth herein, and, in the sole opinion of UIC Lands Dept., such breach is not serious, Applicant may be accorded an opportunity to cure the breach, including payment of any costs or damages resulting from or associated with such breach. On termination for breach, Applicant shall forfeit the permit fee as liquidated damages, because of the difficulty acknowledged by Applicant of determining actual damages. UIC Lands Dept. is not precluded, however, from seeking actual damages, or seeking any other or additional legal or equitable remedies available by law or under this document.
- 11) **Complete Agreement.** Once signed by Applicant and approved by UIC Lands Dept., this document shall be considered the permit and the entire agreement of the parties and shall supersede any prior or contemporaneous oral agreement. Any modification must be in writing and signed by both parties to be effective.
