- Date service was received or purchase made
- Description of service or item purchased

Documentation for dependent care expenses required by the IRS includes a third-party receipt containing the following information (Please be advised: if a receipt is unavailable, a signature from the provider is sufficient):

- Dollar amount
- Name of day care provider

Unacceptable forms of documentation include the following:

- Credit card receipts that only reflect a payment

When submitting a receipt for a co-payment amount, please be sure the co-payment description is on the receipt. In some cases, you will need to ask for a receipt at the point of service. If "co-payment" is not clearly identified, have the provider write "co-payment" on the receipt and sign it.
